

ST MICHAEL'S CAR PARK

When dropping your children off in the morning, and picking them up in the afternoon please remember:

- When parking on the basketball courts- use the Church car park entrance to enter the basketball court car park. DO NOT stop in the middle of the traffic; park in a safe place to let your children out. Then leave via the staff car park exit. (This keeps traffic flowing in one direction, and is safer for the children).
- When parking on the basketball courts in the afternoon, parents/guardians are required to collect their child/ren from the courtyard area. No student is to leave the school ground/courtyard to walk to the carpark unaccompanied.
- Use the 'Kiss and Drop' from 8.30am or the 'Drive Through Pick Up' from 3.05pm at the front of the school. Enter via the staff car park. Staff will assist students in and out of cars.
- Do not park in the staff car park please.
- Children can also be dropped off and picked up along the side of the oval on Tyrrell Circuit. Please keep the bus bay clear.
- Please drive SLOWLY at all times for the safety of our children.
